LIFE IS A GAME OF

CRICKET

It goes without saying: Life is an unpredictable game. We all win some and lose some. We actually don't have much control over the outcome. The only thing, we can do is to give our very best and hope for the best. But we do need to prepare ourselves for every googly that life throws at us. We should be ready to face the bouncers without any fear, and do whatever it takes to get our hands on the trophy cup. Whoever manages to perform with passion becomes a great cricketer and comes out as a winner in life.

In the year 1970 Dahisar Sports Club was instituted to shape such great players and achievers. More than just a sports club, it was a cherished dream for all, which was realised by three passionate brothers. Kishor Gogri, Pravin Gogri and Harakh Gogri. They have brought together their rich experience in sports to coach and guide young talents in the suburbs. The club's students receive specialised training and proper guidance to improve their skills. From the year 1970 to 2005, the club had provided free cricket coaching, kits and uniforms to all students. Till date, it has been giving free medical facility, financially helping needy students in school education and providing assistance in getting a job. Dahisar Sports Club has always believed in training and helping the students to become a storm in cricket and life.

गिरनार®

From the beginning, Dahisar Sports Club showed an immense passion and dedication in becoming a great hub for cricket. It always had the privilege of getting guidance from some of the great cricketers and coaches of India. Dahisar Sports Club moulds every talented child into a great cricketer.

हर पलकी परछाईयोंसे
यूँ कबतक डरा करूँ

कई दोस्तोंकी जलन कुछ कहीं देखा करूँ
अवसर आनंदका ए गोल्डन आखोंमें आँसू भरूँ
ऐ वफा साथ है तेरा मैं मंज़िल पार करूँ
हो आकाश भले अंधेरोंका न काले बादलोंसे डरूँ

दर्हींसर है मुकाम उसका नाम रोशन करूँ...
